

LOOKOUT

LOOKOUT helps young people unleash their potential, increase self-esteem, and build resilience through high quality creative experiences otherwise unavailable to them. We are working towards future generations of happier, motivated people inspired by a sense of possibility.

We offer talks, workshops and courses with a range of creative industry professionals for those aged 9 – 25yrs. The workshops are bespoke to each age group and can be adapted to specific contexts.

Please click on the artist(s) you'd like to view from the menu below, you'll be taken to their section of the document. If you'd prefer to you can view them all by scrolling through this document.
